In typical years, we have hosted an in-person Banquet for our seniors, volunteers, staff and donors, with meal deliveries to those who are homebound. Because of the pandemic, we were unable to meet in person this past year and instead pivoted to delivering all Thanksgiving meals to our older neighbors.

Last November, DOROT engaged more than 400 volunteers who delivered nearly 515 meals to seniors across Manhattan and Westchester. Each volunteer took time to deliver the meal followed by a friendly conversation on the telephone with the older adult.

The Jewish Lawyers Guild helped make this meal delivery possible and provided holiday cheer and spirit to so many older adults. In good times and in troubled times, your support means the world to the older adults in our community.
