Based on our past success, the pre-plated dinners usually found on the tables after our grand buffet are being donated to DOROT, a non-profit organization, for distribution. Desserts, coffee and tea will be served during the presentation of awards.

In 2017, in cooperation with DOROT and as a result of the generosity of the attendees of our Annual Dinner, the Jewish Lawyers Guild provided a full Thanksgiving banquet to over 300 seniors and delivered another 300 dinners to those who were home bound.

DOROT's mission is to alleviate social isolation among the elderly and provides services to help them live independently as valued members of the community. DOROT serves the Jewish and wider community bringing the generations together in a mutually beneficial partnership of elders, volunteers and professionals.
